From 15 July through 15 October 2013, individuals who register and play an 18-hole round at Machrihanish Dunes Golf Club will be entered into a set of random drawings that will determine four finalists to shoot for the “Mach Dunes Million” on 26 October 2013.

The contest will take place on the picturesque 14<sup>th</sup> hole at [Machrihanish Dunes](#), a 167-yard par-3, considered to be one of the best par-3 holes in the UK. Each finalist must be an amateur golfer and will have one (1) shot to attempt an ace. A successful and verified hole-in-one will land the golfer a cool \$1,000,000 USD.

### **About The Village at Machrihanish Dunes**

The vision of the Village at Machrihanish Dunes was to create a world-class seaside resort, including a U.K. Top-100 links golf course, four-star accommodations, dining and other facilities in one of Scotland’s most beautiful regions. The course was the first 18-hole course in the U.K. to earn certification from the Golf Environmental Organization, and was named the most ecologically-friendly course in the world by ABTA Golf Magazine in 2012. The course was designed by David McLay-Kidd, who as a child played in the same dunes where he ultimately laid out the Machrihanish Dunes golf course. The course opened in 2009 on a Site of Special Scientific Interest (SSSI), the first course ever to be built on such a site and also the first to be built on the west coast of Scotland in over 100 years.
